

# PARENT GUIDE

## PROPEL KIDS 1ST-5TH GRADE - JUNE 7

### MEMORY VERSE

Faith is being sure of what we hope for. It is being sure of what we do not see.  
(Hebrews 11:1)

### KEY QUESTION & BOTTOM LINE

WHAT ARE THINGS YOU BELIEVE  
THAT YOU CAN'T SEE?

YOU CAN KNOW JESUS EVEN THOUGH  
YOU'VE NEVER SEEN HIM

### NEVER FORGET

#### FAMILY CHALLENGE

This week, we want each family member to begin memorizing the series memory verse (Hebrews 11:1) in a very creative way. It could be through music, drawing, or acting. Just get creative! Make a video and let us see them. Post on social media with #propelccc and we will award the most creative family.

### ACTIVITY: WOULD YOU RATHER

#### WHAT YOU DO:

Invite the kids to answer the following questions

#### WHAT YOU SAY: Would you rather. . .

- see a snake or a spider?
- get free ice cream or free pizza?
- meet your favorite singer or favorite athlete?
- see something from the past or see something from the future?
- wake up at the beach or wake up in the mountains?
- be invisible or be able to fly?

#### AFTER THE ACTIVITY:

Kids, there are a lot of things we will never see with our eyes but can still believe in. Take Mars, for instance. None of us have ever walked on Mars, but we still believe it exists. None of us have ever had a conversation with Abraham Lincoln or lunch with our favorite movie star, but we know that they are real. This summer we're going to take a look at faith—not faith in Mars or Abe Lincoln, but faith in God. We'll discover what it is, why it's important, and how it looks to have the kind of faith in God that lasts our whole life.

### LIFE APP

Faith—Trusting in what you can't see because of what you can see

### BIBLE STORY:

#### WHAT YOU NEED: BIBLE (HEBREWS 11:1 - 12:3)

**Parent:** According to our Bible story, faith is trusting that something will happen even though we can't see it happening yet. Just because we can't see something doesn't mean it isn't real. We can't see the wind, touch the wind, or taste the wind. Instead, we can only hear it and feel it. Even so, no one doubts that the wind exists. In many ways, faith is like the wind; we can't see faith, touch faith, or taste faith. We can only hear it, and sometimes we can feel it through the stories of those who came before us. When you know how Jesus has affected others' lives, you can see how He can work in your life, too! Just like our bottom line says, "You can know Jesus even though you've never seen Him."

### ACTIVITY: HIDDEN

#### WHAT YOU NEED: HIDDEN OBJECTS IN ROOM & TIMER

#### WHAT YOU DO:

Hide different objects around the room without the kids looking.

#### WHAT YOU SAY:

"Okay kids, I have hidden a few objects around the room and your goal is to find them as quickly as you can! Good luck!

(When you say, "Go," kids start finding as many items as they can.)

#### AFTER THE ACTIVITY:

Just because you couldn't see the hidden objects, didn't mean they weren't there! You now know that they exist because you found them.

### PRAYER

**Parent:** Dear God, You have given us some amazing examples of faith. Help us to trust You the way Noah, Abraham, Moses, and others did. Most of all, help us to keep our eyes on Jesus and believe He's with us even though we can't see Him.
